

## Taking Worship Into Your Week

9.20.20

1. Remember a time when you were hurting physically or emotionally, and it didn't seem like anyone cared. What impact did that have on you?
2. Discuss how weird it was to be called a "priest" during this week's worship, then read 1 Peter 2:9-10 and ask: For what purpose has the Christian church become "royal priests?" What is the reason Peter gives as to the how and why of our being made priests?
3. Read John 7:33-39. When Jesus said "Where I am going, you cannot come," what did he mean by that?
4. Look again at John 7:33-39; find a commentary in your Bible online site, and discover: At what feast was Jesus when this occurred? Of what does the phrase "living water" remind you? With what means has God blessed you so that you are filled with the Holy Spirit?
5. Find using a concordance or online tool references to being "filled with the Spirit" and ask, why do we need to be continually filled with the Spirit? How are we filled. . . what are the actions on our part? What is the result of our being filled with the Spirit in the lives of others?
