Please answer one of the following three questions.

**1. Where have you seen Jesus active in at least one of our growth environments?**

My church home: This past year has been a year of redefining what our church home looks like. Pastor John has led us to re-imagine how we engage with our church home and the network of fellow Christians Jesus has put in our life to support us and help make His ministry thrive where we live, work, and play. With all the challenges we have faced we now look forward to a changed landscape in 2021. Our Jesus is the same now as he was a year ago. His mission for us is the same now as it always has been. I pray that this year we are filled through worship so that we may pour the love of Jesus out to everyone we meet in a world that desperately needs him.
