Please answer one of the following three questions.

Where have you seen Jesus active in at least one of our growth environments?

During these challenging days of COVID, I've continued to be encouraged by my younger brothers and sisters in our Sheepfold class (now preK-3<sup>rd</sup> grade). They are always interested, interesting, and often downright funny! Especially on the days when this (ahem) somewhat older sister in Christ is dragging, their enthusiasm for Jesus and His stories is refreshing and brings me joy. I didn't realize how much I'd missed in-person class till I saw those smiling faces again!

(P.S. No, I haven't gotten so decrepit that I don't observe the sheep sometimes acting a bit goatish. 😊  
But God has shown and shows me a lot of mercy, so I have nothing to complain about!)
