Please answer one of the following three questions.

1. Where have you seen Jesus active in at least one of our growth environments?

I joined St. Luke in 1990 when Sue and I married. We have participated in the same home bible study for most of those years. We and our children have “grown up” at St. Luke and we have seen many changes over 30 years. The Covid virus has caused incredible disruption in our homes, church and work life. But we have adapted. From worship services in a new form, to bible studies in Zoom sessions, we continue to experience God’s love and guiding in our lives and our relationships. That is His consistency and his promise; *You will seek me and find Me when you seek Me with all your heart.*

2. How have you seen our mission statement lived out in your life?

Seeking everyone’s story ...sharing in His story.

As older Christians, we have our stories, and collections from friends and family. We cherish stories that reflect God’s grace and mercy. We have learned and grown through our experiences and the stories of others. Time and again we see man’s thoughts and ways disrupted by the divine work of the Holy Spirit and his eternal promises.

3. Tell a story of how you have experienced one of our core values.

Openness to people and expression.
Faithfulness to complex truth.
Connection through authentic relationships.
Dependence on Jesus.
