Please answer one of the following three questions.

1. **Where have you seen Jesus active in at least one of our growth environments?**

My church home, my everyday communities, my discipling relationships.

Jesus has been active in my church home as everyone deals with how and where to worship. I have enjoyed worship in person and I am truly encouraged to worship with people that love Jesus and tolerate masking and social distancing for the benefit of others. The in person experience even though awkward does give a sense of being in community with each other and Christ.

I have on occasion worshiped on line and am surprised that through chats a sense of community does occur. The presence of Jesus is truly present in this experience as well. I do look forward to the time when all can meet safely together.
